

DAYA CARES

(Caring Beyond Emergencies)

An Initiative of Durgapur Adda Young Association

CARE EXECUTIVE — JOB RESPONSIBILITIES

The Care Executive is responsible for providing prompt, compassionate and professional support to Care Recipients and for ensuring uninterrupted functioning of DAYA CARES during the assigned shift.

1. Registration & Onboarding of Care Recipients

Registration shall be the first responsibility of the Care Executive when a new Care Recipient is assigned to them.

The Care Executive shall:

- Contact the prospective Care Recipient and schedule a convenient time for the registration visit.
- Visit the Care Recipient's residence for registration and initial Home Assessment.
- Introduce DAYA CARES and explain its purpose, services and method of functioning.
- Explain the selected membership plan, services include\\d and applicable charges.
- Explain the emergency and non-emergency services available to the Care Recipient.
- Explain clearly how to contact and use DAYA CARES services, including:
 1. The 24×7 helpline number.
 2. What constitutes an emergency.
 3. When and how to call DAYA CARES.
 4. What information should be provided during an emergency call.
 5. How to request a home visit or planned assistance.
 6. How family members can communicate with DAYA CARES.
- Complete the CARE RECIPIENT REGISTRATION FORM accurately during the visit.
- Collect all required personal, medical, emergency-contact and family information.
- Conduct and complete the prescribed Home Assessment.
- Verify the information provided wherever reasonably possible.
- Explain the membership payment and renewal procedure.
- Explain important terms and conditions of membership, including late payment and cancellation fees.
- Obtain the Care Recipient's required signatures, declarations and consents.
- Collect the applicable registration fee and/or membership fee as authorised.
- Issue and hand over the DAYA CARES Registration Acknowledgement Slip to Care Recipient on spot.
- Ensure that the Care Recipient understands the contents of the acknowledgement and the date from which services will commence.
- Provide the Care Recipient with the DAYA CARES contact information and emergency instructions.
- Create/update the Care Recipient's digital profile and ensure that all registration information is properly entered into the DAYA CARES records.
- Report any significant medical, safety or family-related concern identified during registration to the Centre In-charge.

Most importantly:

The Care Executive must ensure that no Care Recipient completes registration without understanding how to access DAYA CARES when assistance is required.

The registration visit is therefore not merely a form-filling exercise; it is the first orientation and trust-building interaction between the Care Recipient and DAYA CARES.

2. 24×7 Call & Communication Responsibility

- Remain alert and available throughout the assigned shift to receive calls on the DAYA CARES helpline.
- Respond to every call promptly, courteously and with appropriate urgency.
- Give immediate priority to emergency calls.
- Never unnecessarily delay, ignore or disconnect a call from a Care Recipient or their nominated contact.
- Return missed calls promptly.
- Keep physical record all Care Recipient calls, instructions and actions taken.
- Maintain a calm & reassuring manner, particularly when dealing distressed Care Recipients or family members.

3. Emergency Response & Coordination

- Assess the nature and urgency of an emergency through telephone communication.
- Follow the prescribed Emergency Response SOP.
- Arrange ambulance, hospital or other emergency assistance as required.
- Inform the Centre In-charge only when the matter requires urgent intervention.
- Inform the nominated family member as per the Care Recipient's consent and emergency protocol.
- Attend the Care Recipient's residence when required under the service protocol.
- Coordinate hospital admission or transfer where applicable.
- Remain connected with the Care Recipient/family until responsibility is formally handed over.
- Record the complete incident and actions taken.

4. Shift Handover & Continuity of Service

At the end of every shift, the Care Executive shall:

- Conduct a proper handover to the incoming Care Executive.
- Brief the incoming personnel about all pending, ongoing or potentially sensitive matters.
- Specifically communicate:
 1. Ongoing emergencies
 2. Hospitalised Care Recipients
 3. Scheduled home visits
 4. Planned hospital visits
 5. Pending medical follow-ups
 6. Complaints
 7. Family communications
 8. Outstanding payments or administrative matters requiring attention
 9. Any unusual concern regarding a Care Recipient
- Hand over all relevant records, documents, devices, keys and other DAYA CARES property.
- Ensure that important information is properly recorded and not dependent only on verbal communication.
- Obtain acknowledgement of the handover where prescribed.

- No important matter should be left unresolved merely because a shift is ending.

5. Escalation to Centre In-charge

The Care Executive shall immediately inform the Centre In-charge about:

- Serious medical emergencies.
- Death of a Care Recipient.
- A Care Recipient becoming unreachable in circumstances causing concern.
- Police or other authority involvement.
- Serious complaints.
- Any unusual or potentially dangerous situation.
- Any matter beyond the Executive's authority or training.
- Any situation where immediate organisational intervention is required.

The principle shall be: When in doubt, escalate.

6. Welfare Calls & Care Recipient Support

- Conduct welfare calls according to the Care Recipient's membership plan.
- Check on general well-being.
- Listen carefully to concerns expressed by the Care Recipient.
- Identify significant changes in health, mobility, behaviour or circumstances.
- Provide appropriate assistance or escalate the matter.
- Follow up on appointments, investigations and other pending healthcare matters.
- Maintain records of significant interactions.

7. Home Visits

During scheduled home visits, the Care Executive shall:

- Follow the prescribed Home Visit Checklist.
- Check the Care Recipient's general well-being.
- Observe basic home-safety and fall-risk concerns.
- Review and update relevant medication information.
- Check whether emergency contact information remains current.
- Assist with organising medical documents where applicable.
- Identify matters requiring further intervention.
- Report significant observations to the Centre In-charge.
- Record significant observations in prescribed form.
- Maintain the dignity, privacy and independence of the Care Recipient.

8. Hospital & Healthcare Coordination

- Coordinate with hospitals, doctors, diagnostic centres, pharmacies, physiotherapist and ambulance providers.
- Assist with planned hospital visits where included in the membership plan.
- Coordinate admission and discharge support where applicable.
- Follow up on medical appointments and investigations.
- Communicate relevant information to authorised family members.

- Maintain appropriate records of all healthcare coordination.

9. Documentation & Record Keeping

The Care Executive shall maintain accurate and timely records of:

- Registration and Home Assessment
- Calls received and made
- Emergencies
- Home visits
- Hospital visits
- Medical coordination
- Family communications
- Incidents
- Complaints
- Pending matters
- Shift handovers
- Authorised expenses

Records should be completed during or immediately after the relevant activity.

10. Confidentiality & Data Protection

- Maintain strict confidentiality of Care Recipient information.
- Do not disclose medical, personal, financial or family information to unauthorised persons.
- Protect physical and digital records.
- Use Care Recipient information only for authorised DAYA CARES purposes.
- Strictly follow DAYA CARES data protection and record-management procedures.

11. Professional Conduct

Every Care Executive shall:

- Treat Care Recipients with dignity, patience and respect.
- Remain calm and composed during emergencies.
- Be punctual and disciplined.
- Maintain professional boundaries.
- Wear the prescribed ID card/uniform during duty and field visits.
- Keep the official duty phone accessible throughout the shift.
- Never make commitments beyond their authority.
- Never argue with Care Recipients or their family members.
- Maintain confidentiality.
- Never report for duty under the influence of alcohol or intoxicating substances.

12. Financial & Organizational Responsibility

- Collect registration/membership payments only through authorised methods.
- Issue the prescribed acknowledgement/receipt.
- Maintain proper records of any authorised cash transaction.
- Safeguard DAYA CARES documents, devices, keys and other organisational property.

- Immediately report any loss, damage or irregularity.

13. Night Shift Responsibility

During night duty, the Care Executive shall remain actively alert and operationally ready, not merely present at the centre.

They shall:

- Monitor the helpline continuously.
- Respond immediately to incoming calls.
- Keep emergency contacts and service-provider information readily accessible.
- Monitor pending cases from previous shifts.
- Conduct scheduled night welfare calls where applicable.
- Escalate emergencies immediately.
- Maintain complete records for the incoming shift.

14. Death & Bereavement Support

In the unfortunate event of the death of a Care Recipient:

- Immediately inform the Centre In-charge.
- Contact the nominated family member as per protocol.
- Coordinate with the hospital, ambulance provider or appropriate authority as applicable.
- Assist in coordinating hearse/transport arrangements.
- Provide procedural guidance to the family.
- Coordinate crematorium/burial arrangements where authorised and requested.
- Maintain dignity, sensitivity and confidentiality throughout the process.
- Complete the required incident documentation.

The Care Executive must never certify or pronounce death, make a medical diagnosis, prescribe medication or perform any medical procedure beyond their professional qualification and authorisation.

THE DAYA CARES CARE EXECUTIVE PRINCIPLE

Every Care Executive should remember:

REGISTER → ORIENT → RESPOND → RECORD → REPORT → HAND OVER

- REGISTER the Care Recipient properly.
- ORIENT them so they know how to use DAYA CARES.
- RESPOND promptly whenever assistance is sought.
- RECORD every important action.
- REPORT matters requiring intervention.
- HAND OVER everything properly to the next shift.
